

## The Potter and the Clay – 1

### Lessons from the Clay

Jeremiah 18:1-6

1 – Clay needs water to make it moldable; God's Word is the water that makes us moldable.

Romans 12:2

2 – Clay must be cleansed of impurities; our character must be cleansed.

2 Timothy 2:20-21

3 – Clay doesn't tell the potter how to form it; we don't tell God how to form us.

Isaiah 29:16 and Isaiah 45:9

4 – Clay has to go through the fire before it can be used; so must we.
