

My Refuge – The Rules of Refuge (Numbers 35:9-38)

Numbers 35 reveals two important details about refuge:

- 1) The Cities of Refuge were only for the Innocent.
- 2) The Cities of Refuge were not for the Guilty.

When we leave the City of Refuge we will be pursued by two people, an Avenger and a Revenger.

The death of our High Priest means that we've been released from our sentence.
