

James 3 – My Big Fat Mouth

Four things about the tongue worth considering:

- 1 - The tongue is like trash
- 2 - The tongue is like a mirror
- 3 - The tongue is like a gift
- 4 - The tongue is like a wild animal

Although we can't tame our tongues, our heart can be tamed

To tame our hearts we must:

Clean our mind.

Cover our ears

Close our mouth

We should tame our tongues by taming our hearts so that we can be better and live better.
